Utah's Online Library

Home Access Information

ONLINELIBRARY.UEN.ORG

RESEARCH

Teach students where to research and digital literacy. All information and images licensed for use in educational projects.

ACCESS

Username: online
Password: learning

Ask your teacher or librarian for the at-home username and password.

SAFETY

No worries about accessing inappropriate web sites. Onlinelibrary.uen.org is filtered for K-12 students and has materials for all ages of researchers.

CREDIBILITY

With credible and pertinent resources, students won't have to worry that the information they are finding is correct and usable for any research project.

SAVE EASILY

Save search results where you create your final project - integration with student's Google Drive or Microsoft 365.

COST

Free. Free to any Utah Student, Parent, or Teacher. Did we mention free?
