

Utah's Online Library is a virtual library for K-12 students and teachers. It is **free** and **accessible from home** with a password.

### School Access

Log in on a school computer and/or school internet. Access is automatic.

### Home Access

Access is restricted to users associated with Utah K-12 schools.

Login: online  
Password: learning

## To get started...

1

Start at the UOL Home Page:  
<https://onlinelibrary.uen.org/>

2

Select the High School tab.

3

Explore the three main research areas:

### Reference Collection

Includes databases about culture, science, education, media, citation help, and free music clips.

### Utah Resources

All about Utah, including newspapers, articles, photos, and records.

### General Resources

More helpful websites from national agencies, archives, and more media sites.

Turn over the card for more specific help!

For more information or help, please contact the UHS Librarian:
